### Early Education Funded Hours

- All 3 and 4-year-olds who live in England are entitled to 15 Early Education Hours for 38 weeks of the year irrespective of income levels, benefit status, or family circumstances.
- 3 and 4 year old funding will start from 1 January, 1 April or 1 September following your child's 3rd birthday.

1 April to 31 August	Term starting on or after 1 September
1 September to 31 December	Term starting on or after 1 January

- The 15 hours are accessed free of charge to all parents. Families can use this offer alongside the working parent entitlement to receive a total of 30 hours, if families are eligible.
- If at any point, a family starts work after their child has turned the relevant age, meaning you meet the income threshold for 30 hours childcare, families will need to apply. Find more information about the [30 hours childcare for eligible working families in England](#).

- From September 2025, 15 hours for eligible working families will expand to 30 hours, meaning eligible working parents can now apply for 30 hours of childcare from the term after their child turns 9 months until they reach school age. This funding can be accessed for eligible families for their child for the term before they are eligible to access 3 and 4 year old funding.
- **Up to 30 hours of Early Education Funding per week is available for each child for eligible families, term time only per school year.**
- **30 hours Early Education Funded Hours does not cover a full week in Acorns Nursery.**
- **Early Education Funded Hours are available at Acorns for 38 weeks of the year, for a set number of weeks each term. The school year is 39 weeks.** Therefore, families have the option of their child not attending the week which is not covered by Early Education Funding or being invoiced by the school for the sessions their child attends for 1 week of the school year not covered by Early Education Funded Hours.
- The school provides families with written communication at the start of a school term if one of the weeks in that term are not covered by Early Education Funding, and families communicate with the school in writing if they do not want their child to attend sessions during the week not covered by Early Education Funding that term, or would like their child to attend and be invoiced by the school for the sessions attended the week not covered by Early Education Funded hours.
- A funding declaration form needs to be completed and signed by school and families at the start of each term for all families who have children attending Acorns nursery.

If payment of an invoice is a month overdue, the child will no longer be able to attend nursery sessions which are not Early Education Funded.
- Termly invoices show clearly the Early Education Funded Hours that the child is receiving which are completely free of charge (£0) and sessions which are chargeable.
- Sessions are non-refundable in the event of illness or holiday.
- Sessions are not transferable.

## **Admissions**

- Application for an Acorns Nursery place is by application form directly to the school office. Application forms are acknowledged on receipt by school. Children's names are added to an open waiting list and a nursery place and sessions will be confirmed to families 3 months prior to the child starting nursery.
- There is no registration fee and no deposit.
- Having a place at Acorns Nursery does not automatically guarantee a place in Reception as all applications from Reception to Year 6 are dealt with by Warwickshire Local Authority Admissions. Parents will have to apply to their home local authority for a school place (e.g. Warwickshire, Gloucestershire, Oxfordshire).

## **Early Years Pupil Premium (EYPP)**

Early Years Pupil Premium is additional funding that providers can claim for children receiving the nine months + working parent entitlement, the two-year-old disadvantaged entitlement, the two-year-old working parent entitlement and the three and four year old universal funding whose parents/carers are in receipt of qualifying benefits and whose children take up their full funding entitlement.

The school is paid an additional £1.00 per hour for those eligible for Early Years Pupil Premium (EYPP) up to a maximum of 15 hours per week. EYPP is not applied to the extended entitlement hours.

To claim the Early Years Pupil Premium (EYPP), parents must fully complete and sign the EYPP application section on Part 2 of the Parental Declaration Form (PDF).

## **Disability Access Fund (DAF)**

The Disability Access Fund (DAF) was introduced to support disabled children's access to the early years entitlement for three and four-year-olds. From April 2024, this has been extended to two-year-olds.

Children do not have to take up the full 570 hours of Early Education Funding that they are entitled to in order for the school to receive the DAF payment.

Children will be eligible for DAF if they meet the following criteria:

- The child is in receipt of Disability Living Allowance (DLA) and
- The child receives the nine months + entitlement, one of the two-year old entitlements or the three and four-year-old universal 15 hours entitlement

The parent/carer will need to fully complete the Disability Access Fund (DAF) section in Part 2 of the Parental Declaration Form. The school will need to check eligibility by seeing a copy of the child's Disability Living Allowance (DLA) award letter.

### **Notice**

- A four weeks notice period in writing is required for changes to your child's booking pattern or if you decide to leave the nursery.
